Gwen Lake is a forty-five-year-old police officer with a desk job, an ex-husband and a future not even close to the American dream. A year after her divorce, and more out of boredom and curiosity than anything else, she agrees to a meeting with her ex's new wife. She has no idea that the encounter will lead to murder. And she has decidedly mixed emotions when her ex-husband is arrested for the crime. Instead of accepting the lead detective's advice to book a Club Med vacation and leave the investigation to the professionals, Gwen decides to work the case on her own. Her life is about to get a lot less predictable and a lot more dangerous.

Generations of believers in hope and goodwill have made Miracle on 34th Street a treasured part of their holiday traditions. Now in keepsake hardcover.

investor and has presented hundreds of seminars in various countries, teaching his unique property investment methods. In this book, he first gives the reader step-by-step instructions in programming the mind for lasting success, then takes the reader through the principles of his popular and unique investment methods. These methods have already created more millionaires than all other methods put together. Coetzee firmly believes that creating lasting wealth is a holistic process and his motto is: A poor man with a rich mind is richer than a rich man with a poor mind, but nobody is richer than a rich man with a rich mind.
