This is an usher's manual to be used in the Negro churches of the United States. Dr. Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest. Thus, the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God.

1994. But, no book was written by me back then, neither did I come across any specialized book on Ushers, Greeters and Protocols in one volume, 20 years ago. I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years. I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic. Our outfit, Christian Leadership Skills, have been involved in mass training for ushers in churches that counted 120,000 on Sundays with Ushers' workforce of about 4,000. I have written 36 books todate, but none on Ushers, Protocol and Greeters until now. A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in

their headquarters church. Their invitation came a bit late I could not be there physically. I didn't have a book on Ushers or crowd control. Only a manual. Churches get confused on the role of ushers as different from protocol officers. I have witnessed ushers and protocols fight for territories in churches. A particular church head usher insists that he must stay side by side with the protocol officer by the altar, very close to the anointed. There was no book to show where each belong. A particular ministry scrapped the word "Ushers" from the list of ministries. The General Overseer banned the entire ushers from officiating in the length and breadth of the church. His reason? Brethren have the Holy Spirit to direct them. No need for Ushers and the church went on "smoothly thereafter". I

had no book to give to the man of God. No book I could give, until 20 years later! Who are Ushers? Who are Protocol officers? Who are Greeters? Who are Traffic Controllers? I didn't write any book to explain. I only explain during workshop session. Now the explanation has become handy.

Guide for Ushering in the 21st Century is an autobiographical narrative/exposition of ushering that presents actual experiences behind God-guided usher team developments. However, this is no ordinary "How To" Christian book. It is a real story, with real characters in real-life situations that take place on a small church campus. The conflict and climax encountered through an effort to train ushers as key point people in church reflects a challenge that every

This experience, plus responsibilities for directing many seminars, camp meetings and other large gatherings, makes him eminently qualified to prepare this manual.
