Read Online Baruch My Own Story

My Own Story is a highly entertaining, thoughtful and richly detailed account of the life and times of Bernard Mannes Baruch, one of the most effective and influential men that America has ever produced.

Vol. 2 published by Holt, Rinehart and Winston. [1] My own story.--[2] The public years.

Bernard M. Baruch - one of the most remarkable men of our time - was an office boy at nineteen, a Wall Street partner at twenty-five, and a millionaire before he was thirty-five. For some men this success would mark the climax of a career; for Baruch it was only the beginning of a still greater one. In the fifty years since he made his first fortune, Bernard Baruch has been a trusted counselor of Presidents, an adviser on social and economic reforms, a statesman who has worked with two political parties and won the respect of both. In this, the first volume of his memoirs, Mr. Baruch analyzes his personal philosophy and shows how it helped him solve the many problems that confronted him in his public life as chairman of the War Industries Board during World War I and as United States representative on the United Nations Atomic Energy Commission. Informal yet penetrating, intimate yet never losing sight of major events and issues, BARUCH: My Own Story is infused with the remarkable personality of a truly distinguished American.

"Baruch: My Own Story" is the memoirs of Bernard M. Baruch, a man whose life spanned the late nineteenth century and over half of the twentieth century. Given the time period, he is a man who has seen much having met seven presidents, witnessing two wars and working on Wall Street for a time. In these memoirs, Baruch has tried to "set forth the philosophy through which he had sought to harmonize a readiness to risk something new with precautions against repeating the errors of the past."

This biography of Bernard Baruch considered to be renowned as the definitive story about the notorious financial wizard and presidential advisor. Baruch's political policies are discussed briefly, and James Grant includes a detailed account of Baruch's trading and investment gains and losses.

Belle W. Baruch (1899–1964) could outride, outshoot, outhunt, and outsail most of the young men of her elite social circle—abilities that distanced her from

other debutantes of 1917. Unapologetic for her athleticism and interests in traditionally masculine pursuits, Baruch towered above male and female counterparts in height and daring. While she is known today for the wildlife conservation and biological research center on the South Carolina coast that bears her family name, Belle's story is a rich narrative about one nonconformist's ties to the land. In *Baroness of Hobcaw*, Mary E. Miller provides a provocative portrait of this unorthodox woman who gave a gift of monumental importance to the scientific community. Belle's father, Bernard M. Baruch, the so-called Wolf of Wall Street, held sway over the financial and diplomatic world of the early twentieth century and served as an adviser to seven U.S. presidents. In 1905 he bought Hobcaw Barony, a sprawling seaside retreat where he entertained the likes of Churchill and FDR. Belle's daily life at Hobcaw reflects the world of wealthy northerners, including the Vanderbilts and Luces, who bought tracts of southern acreage. Miller details Belle's exploits—fox hunting at Hobcaw, show jumping at Deauville, flying her own plane, traveling with Edith Bolling Wilson, and patrolling the South Carolina beach for spies during World War II. Belle's story also reveals her efforts to win her mother's approval and her father's attention, as well as her unraveling relationships with friends, family, employees, and lovers—both male and female. Miller describes Belle's final success in saving Hobcaw from development as the overarching triumph of a tempestuous life.
