The House of Secrets is a thoroughly beautiful book. Captivating characters and a hugely engaging story fill both worlds of 1936 and 2016, making it impossible not to be gripped by the stories of Zoe, Win and Libby. Sarra Manning writes with passion and bravery, evoking the past and present with a masterful touch.

A Carousel of Sorts is a dizzying leap into the shallow end of the pool of life. The story embraces the enormity of the world and the underlying idiosyncrasies that connect us all in the end. And perhaps along the way, on the wings of the fabled Carik birds from the tale, some of those answers will appear somewhere amidst the infinite spectrum between Bob Dylan's song lyrics and the ingredients to Cocoa Puffs cereal. Sawyer Redwine, happens upon his own chance at redemption by stumbling into the life of Ashton James during a robbery. They hightail their lives across country in order to create a fresh start careening into Blaiku "Willy" Williams, the final piece in this triangle of fate. From the festive weirdness of a religious carnival located in Iowa to the eccentric values of a cosmetics mogul in Minneapolis, the triumvirate's journey unfolds under a tabloid, fashion reporter's eyes. Interwoven in the trio's new America are an angel who appears to be Ted Nugent, a Mafia hitman trying to become a rodeo clown, an elderly woman who speaks only through Hallmark cards, and an obsessive narrator with a bloated ego and a magically spiked six-pack of beer.

A cryptic letter on her grandmother's grave and a puzzling inscription on a carousel horse lead artist Maya Brice to ninety-year-old Hank Hauser. Mad Men Carousel is an episode-by-episode guide to all seven seasons of AMC's Mad Men. This book collects TV and movie critic Matt Zoller Seitz's celebrated Mad Men recaps—as featured on New York magazine's Vulture blog—for the first time, including never-before-published essays on the show's first three seasons. Seitz's writing digs deep into the show's themes, performances, and filmmaking, examining complex and sometimes confounding aspects of the series. The complete series—all seven seasons and ninety-two episodes—is covered. Each episode review also includes brief explanations of locations, events, consumer products, and scientific advancements that are important to the characters, such as P.J. Clarke's restaurant and the old Penn Station; the inventions of the birth control pill, the Xerox machine, and the Apollo Lunar Module; the release of the Beatles' Revolver and the Beach Boys' Pet Sounds; and all the wars, protests, assassinations, and murders that cast a bloody pall over a chaotic decade. Mad Men Carousel is named after an iconic moment from the show's first-season finale, "The Wheel." wherein Don delivers an unforgettable pitch for a new slide projector that's centered on the idea of nostalgia: "the pain from an old wound." This book will soothe the most ardent Mad Men fan's nostalgia for the show. New viewers, who will want to binge-watch their way through one of the most popular TV shows in recent memory, will discover a spoiler-friendly companion to one of the most multilayered and mercurial TV shows of all time. It's the perfect gift for Mad Men fans and obsessives. Also available from Matt Zoller Seitz: The Oliver Stone Experience, The Wes Anderson Collection: Bad Dads, The Wes Anderson Collection: The Grand Budapest Hotel, and The Wes Anderson Collection.

Half-Cherokee Marquitta "Skeet" Bannion thought she was leaving her troubles behind when she fled the stress of being the highest-ranking woman in the Kansas City Police Department, a jealous cop ex-husband, and a disgraced alcoholic ex-cop father. Moving to a small town to be chief of a college's campus police force, she builds a life outside of her work. She might even begin a new relationship with the amiable Brewster police chief. All of this is threatened when the student editor of the school newspaper is found murdered on campus. Skeet must track down the killer, following trails that lead to some of the most powerful people in the university. In the midst of her investigation, Skeet assumes responsibility for a vulnerable teenager when her ex-husband and seriously ailing father wind up back on her hands. Time is running out and college administrators demand she conceal all college involvement in the murder, but Skeet will not stop until she's unraveled every last secret. In award-winner Linda Rodriguez, mystery fans will find a unique voice and a gifted storyteller.

Unlike the media would have you believe, most black males find great value in education. They want to believe that they have a special gift and that they can make a difference in the world. The problem is that they have ill feelings about how society has deprived them of the most qualified teachers and the best ways to be engaged in their own education. As a consequence of repeatedly being marginalized, criticized, and put down by society and teachers, they do not feel motivated to attend school or to produce outstanding academic work. The Secrets for Motivating, Educating, and Lifting the Spirit of African American Males contains essays that center on how to help educators and parents to equip young black males with the drive necessary to craft fulfilling lives for themselves so they don't slip through the cracks in the educational system. "Historically, we are still dealing with what happens to the image of Black people in the minds of white people. A book like this helps to make certain that the information teachers provide to all students—regardless of their race—will help them understand that the history of this country has made generation after generation of black students see themselves as academically and socially inferior to white people. Most importantly, it's the teachers—not just black teachers, but all teachers—who have to understand the power they have to change the mindset of society. Changing how society thinks about Black people, particularly Black males, is a task teachers can truly accomplish because they have the power to create lesson plans that challenge how students think about each other. For such lessons are important for changing the attitudes and beliefs of the entire community in which we live." – REVEREND C.T. VIVIAN, A Pioneer of the Civil Rights Movement, Author, Educator, and a Close Friend of Reverend Dr. Martin Luther King, Jr. "This book provides a fresh perspective for understanding the problems associated with the education of Black males. As a minister, I have not encountered a project that gathers the collective wisdom of a group of over 20 Black male educators who are dedicated to helping the world save young Black males. When all their ideas come together, they are bound to create a storm of new thinking about how all of us can work together. As a spiritual leader, my role is to help young Black males understand that the same God that was in Dr. King is the same God that is in them. This is a difficult lesson for some Black males who have been brainwashed to see themselves as having no say about the outcome of their lives. This book will help us, including those in the ministry, to reevaluate the thinking patterns of our boys so that we can better prepare them for the critical thinking that is required for life in the 21st century." – REVEREND ROBERT KILGORE, Assistant Pastor at Hillside International Truth Center, Atlanta, GA

When it was first published in 1993, Secrets of Screen Acting broke new ground in explaining how acting for the camera is different from acting on stage. Reaction time is altered, physical timing and placement are reconceived, and the proportions of the digital frame itself become the measure of all things, so the director must conceptualize each image in terms of this new rectangle and actors must 'fit' into the frame. Based on a revolutionary non-Method approach to acting, this book shows what actually works: how an actor, an announcer--anyone working in front of the cameras--gives excellent performances on screen. Instead of starting with what is real and trying to wrestle that onto the screen, Patrick Tucker explains how to work with the realities of a shoot and work from there towards the real. His step-by-step guide to the elements of effective screen acting is an extension and explanation of a lifetime of work in the field, containing over 50 acting exercises and the tried-and-tested Screen Acting Checklist. As well as being completely updated to cover new techniques, film references and insights, this third edition now includes a set of Film Clip Time Codes for each film. These not only itemise the films discussed in each chapter, but also pinpoint the precise moments where each example can be found so that students, teachers, and professional actors can refer to them quickly and easily.
