out, and develop the skills needed to ace the CASPer test and Multiple Mini Interviews, and in the process, maximize your chances of admission into the program of your choice. Here is what is included in this book: how to plan in advance to stay ahead of your competition, how to make your application stand out, how to prep for and ace the CASPer test including sample questions and expert responses, how to prep and master your admissions interviews (MMI, MPI, Traditional Panel), including sample questions and answers, six case studies of past successful applicants, and free access to BeMo's online resource centre where you can find sample personal statements and autobiographical sketches and a host of other useful tools, Over 210 pages of tips, strategies and advice from admission experts BeMo, BeMo Academic, BeMo Consulting, BeMo Academic Consulting, CASPer SIM, MMI SIM, Get In Or Your Money Back & IM Evaluator are trademarks of BeMo Academic Consulting Inc."

The Multiple Mini Interview (MMI) has become the preferred interview format at many health professions programs and medical schools. Applicants seeking admission to these schools face considerable anxiety preparing for these interviews because of a lack of resources available for guidance. Our detailed advice, based on evidence from research in the field and perspectives of admissions faculty, will provide you with the insiders' perspective. How can you best prepare for the MMI? What is required to deliver a winning interview performance? Which behaviors, attitudes, and answers are prized by interviewers? Includes sample answers to MMI questions and advice to help you avoid common mistakes. This book shows applicants how to develop the optimal strategy for MMI success - an invaluable resource to help applicants gain that extra edge.

even the best and brightest need an edge. Writing a personal statement is a daunting part of the application process. In less than 5,300 characters, applicants must weave together experiences and passions into a memorable narrative to set them apart from thousands of other applicants. While there is no magic formula for writing the perfect essay, picking up this book will put them on the right track. *50 Successful Harvard Medical School Essays* is the first in a new line of books published by the Staff of the Harvard Crimson. It includes fifty standout essays from students who successfully secured a spot at Harvard Medical School. Each student has a unique set of experiences that led them to medicine. Each essay includes analysis by Crimson editors on essay qualities and techniques that worked, so readers can apply them to their own writing. This book will aid applicants in composing essays that reveal their passion for medicine and the discipline they will bring to this demanding program and profession. It will give them the extra help they need to get into the best medical school programs in the world.

A case-based approach that provides the advice and skills medical practitioners need to help patients and overcome ethical challenges Now in its fourth edition, *Doing Right* offers healthcare trainees and practitioners alike a comprehensive, user-friendly guide to contemporary biomedical ethics. Taking an applied case-based approach, this engaging text explores complex ethical issues through real-life scenarios, making it relatable to all types of healthcare professionals.
