Contemporary Counterpoint: An Interview with Beth Denisch ...

Counterpoint is one of the most rewarding and rich textures in music. Good counterpoint is beautiful, interesting and intellectually stimulating. The great composers throughout history, from Bach and Mozart, Debussy and Stravinsky, John Williams and Jerry Goldsmith, all share the common trait of a mastery of counterpoint.

As a musical device, counterpoint is regularly employed by contemporary composers too, although this is often termed 'linear counterpoint' that focuses on thematic and single strands of texture that includes rhythmic relationships too. The works of Bartok are a good starting point for further exploration of this point.
