Day Skipper Knowledge Self Test You will have a better chance of passing an RYA Day Skipper practical course if your theory knowledge is good. It's well worth revising your theory knowledge prior to the course, especially if it is a little while since you took your theory course and you might be a bit rusty.

## Download Free Day Skipper Exercises

(sometimes known as the RYA Day Skipper theory course) is the ideal starting point for aspiring skippers (and their first mate), either motor or sail. The word “shorebased” in the title gives you the clue that this course is taken either in the classroom or online away from the many distractions of flapping sails, noisy engines, waves and other water users.

I used this for revision in my Day Skipper course. It uses a Channel Island chart that is thin so be careful when erasing pencil lines. Also used the RYA Navigation exercise book that uses the RYA practice charts so helps you to become familiar with these. I got 100% in the exam but cannot say which book was responsible...
