grammar | ETpedia~~

Strategy #1: Get Visual. As much as I love reading and writing, even I have to admit that sometimes, words just aren't enough. A picture, after all, is worth a thousand—or so they say. Sometimes visual aids are necessary for helping your elementary students grasp something as conceptual as grammar in concrete terms.

~~3 Tips to Teach Grammar in Elementary School . . .~~

Recent research has proposed a more balanced approach—that second language instruction can provide a combination of both explicit teaching focused on features of the second language such as grammar, vocabulary, and pronunciation and implicit learning stemming from meaningful communication in the second language. I believe that the best language instruction uses meaningful input and contexts to help students develop their English skills, but also feel that teaching language features,
