The forest represents how you felt about the world, as you were growing up. If you see squirrels playing then you felt that the world was a safe place. The trees and the light in the forest represent the interaction that you had with adults as you were growing up, and the impact that this interaction had on you.

Personality Quiz Site -

The forest quiz

People began life on this planet as forest dwellers.

They were food gatherers and depended on the forest for all their needs: food, clothing, and

shelter. They gradually became food growers, clearing a small patch in the forest to grow food.

But they continued to depend on forests to

meet a lot of their needs.

Uses of forests

1. Gossip from the Forest. by Sara Maitland.

This is a really unusual book. Maitland journeys through Britain's forests in different seasons and draws in everything about their forest settings: the wildlife, nature, myths, stories and history.
