International Journal of Mathematics - World Scientific

JOURNAL OF COMPUTER AND MATHEMATICAL SCIENCES is an international journal which provides a platform to scientist and researchers all over the world for the dissemination of knowledge in computer science, mathematical sciences and related fields.

A Journal of Computer and Mathematical Sciences, An ...

Journal of Applied Mathematics and Computing (JAMC) is a broad-based journal covering all branches of computational or applied mathematics with special encouragement to researchers in theoretical computer science and mathematical computing.

Journal of Applied Mathematics and Computing | Home

The aim of the journal is to provide an international forum for the dissemination of up-to-date information in the fields of the mathematics and computers, in particular (but not exclusively) as they apply to the dynamics of systems, their simulation and scientific computation in general.

Mathematics and Computers in Simulation - Journal - Elsevier

The International Journal of Computer Algebra in Mathematics Education publishes articles about the use of computer algebra systems in teaching and learning mathematics. During recent years it was suggested that the journal should have a much broader emphasis and, to encourage discussion of the use of the range of new technologies.
