Last letters from the Holocaust: Remembering the victims ...

Almost all of the remaining letters were written to a sibling, parent, son or cousin. All of the Shoah period letters, up to the last one I have from June 1941, continue to show the very close, loving, caring and strongly supportive relationships in this family. The length and frequency of the letters (there were many more letters that were lost), as well as the dedication to passing each letter around to multiple family members, also provides evidence of the family 's closeness.

Letters, Documents and Images of the Jellinek Family ...
