While we ' re on the subject of kanji here, let ' s look briefly at this integral aspect of Japanese. Mastering kanji is easily the most challenging part of Japanese, and learning it properly requires commitment— but it is entirely within your grasp! More importantly, let ' s discuss exactly why Japanese uses kanji.

the world. Professor Nobuko Mizutani has designed the program's 52 lessons especially for beginners interested in learning practical conversation and accurate pronunciation.

My First Book of Japanese Words is a beautifully illustrated book that introduces young children to Japanese language and culture through everyday words. The words profiled in this book are all commonly used in the Japanese language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Japanese Words are multiple: to familiarize children with the sounds and structure of Japanese speech, to introduce core elements of Japanese culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Kanji (when applicable), Kana, and Romanized form (Romaji). With the help of this book, we hope more children (and adults) will soon be a part of the 125 million people worldwide that speak Japanese!

A fun and helpful resource for anyone interested in learning some Japanese—whether you're 5 or 100! This picture dictionary covers the 1,500 most useful Japanese words and phrases. meaning. The words are grouped into 40 different themes or topics, including basics like meeting someone new and using public transportation to culture-specific topics like celebrating Japanese holidays and eating Japanese food. This colorful picture dictionary includes: Hundreds of color photographs 1,500 Japanese words and phrases 40 different topics—from social media and WiFi to paying and counting Example sentences showing how the words are used Companion online audio recordings by native Japanese speakers of all the vocabulary and sentences An introduction to Japanese pronunciation and grammar An index to allow you to quickly look up words Japanese Picture Dictionary makes language learning more fun than traditional phrasebooks. This resource is perfect for beginners of all ages—curious kids, visual learners and future travelers to Japan.

There are three types of Japanese script-katakana, hiragana, and kanji. It is possible to read Japanese knowing only a limited number of kanji, but it is not possible with only a limited number of katakana or hiragana-one must know all of them. Let's Learn Katakana, and its companion volume Let's Learn Hiragana, is a textbook that introduces the learner to the basics of one of these fundamental Japanese scripts. Being a workbook, it contains all the exercises that allow the student to master katakana by the time the book has been finished. Let's Learn Katakana is a classic in the field, and the huge number of students that have used it successfully is a sign of its preeminence as a self-study guide.
