How To Make It in the New Music Business: Practical Tips ...

In How to Make It in the New Music Business, here's a guy who says from the beginning that he his not an expert, that he has not "made it" in the music business, but he's writing this book anyway. Apparently he updates this book every so often to modernize it. This book is a way to subsidize his mediocre music career. Cool.

An indispensable step-by-step guide to releasing your own records and beginning a working independent label. Since the boom of homemade records and independently-minded musicians in the 1980s, the alternative music industry has grown from strength to strength, driven by a policy that privileges the music itself over the aggressive marketing and branding strategies of the majors. You can retain all control and rights to the music you release, allowing you to showcase and sell the music that you believe should be heard. There has never been a better time to begin a label for yourself, and this comprehensive title shows you exactly how it's done, including: Devising a business plan Finding and choosing talent Creating and manufacturing records themselves All aspects of promotion and marketing Distribution and radio Get your company organised and get those records out there right now with the help and advice of this informative guide.

At last, an entertainment attorney offers up the honest truth about becoming a successful recording artist. This book is packed with solid information geared toward anyone who wants to become a musician. It's a terrific primer for parents of kids who are clamoring for music lessons or permission to go to a college of music.The book is divided up into manageable chapters: practicing, recording your first demo, creating a promo kit, finding a manager, playing a showcase, and much more. This is the first book in the Music Business Made Simple series. These easy-to-digest handbooks cover everything one needs to know about the music business. The second book in the series, Be Your Own Music Mogul: Launch an Independent Record Label will be published in Spring 2005.

The overall retail value of the U.S. record industry was \$11.5 billion in recent years. With the help of this new book you can get a piece of that business by starting your own independent record label. You will learn all the aspects of starting your record label business, finding your artists, pricing your products, marketing your business, and conducting your day-to-day business operations. This comprehensive new book will show you step-by-step how to set up, operate, and manage a financially successful independent record label, including startup costs for a record label, the equipment you will need, how to get your recordings made into CDs and distributed, marketing and promoting your music, and distribution methods. The book covers the entire process of starting a small record label from startup to ongoing management in an easy-to-understand way by pointing out methods to increase your chances of success and showing you how to avoid the common mistakes that can doom a startup. The new companion CD-ROM contains all the forms used in the book in PDF format for easy use, as well as a detailed business plan, which will help you precisely define your business, identify your goals, and serve as your firm's rÃ©sumÃ©. The basic components include a current and pro forma balance sheet, an income statement, and a cash flow analysis. While providing detailed instructions and examples, the author leads you through finding a location that will bring success, managing and training employees, accounting and bookkeeping procedures, auditing, successful budgeting, and profit planning development, as well as thousands of great tips and useful guidelines. You also will learn how to draw up a winning business plan, how to set up computer systems to save time and money, how to hire and keep a qualified, professional staff, how to keep bringing customers back, and how to generate high profile public relations. In addition, you will become knowledgeable about basic cost control systems, equipment layout and planning, low and no cost ways to satisfy customers and build sales, and low cost marketing ideas. You will also learn how to get your music on sites where customers pay to download your music such as Rhapsody, iTunes, and others. With the help of this book you can turn your love of music into a highly successful business. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they ' re doing. It ' s hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level. New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable – it ' s a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote Business Made Simple to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: Character: What kind of person succeeds in business? Leadership: How do you unite a team around a mission? Personal Productivity: How can you get more done in less time? Messaging: Why aren ' t customers paying more attention? Marketing: How do I build a sales funnel? Business Strategy: How does a business really work? Execution: How can we get things done? Sales: How do I close more sales? Management: What does a good manager do? Business Made Simple is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.

Hailed as an " indispensable " guide (Forbes), How to Make It in the New Music Business returns in this extensively revised and expanded edition. When How to Make It in the New Music Business hit shelves in 2016, it instantly became the go-to resource for musicians eager to make a living in a turbulent industry.
