month-long journey and learns how they thrive in natural harmony with the plants and animals that exist in the rugged lands of Australia's bush. From the first day of her adventure, Morgan is challenged by the physical requirements of the journey—she faces daily tests of her endurance, challenges that ultimately contribute to her personal transformation. By traveling with this extraordinary community, Morgan becomes a witness to their essential way of being in a world based on the ancient wisdom and philosophy of a culture that is more than 50,000 years old.

"A powerful message for all of us. I was hypnotized by the simple truths and spiritual lessons. Read it and tell everyone you know to do the same." --Wayne Dyer

This incredible adventure story--and New York Times bestseller--offers us an opportunity to discover the wisdom of an ancient culture and to hear its powerful message. An American woman is summoned by a remote tribe of nomadic Aboriginals who call themselves the "Real People" to accompany them on a four-month-long walkabout through the Outback. While traveling barefoot with them through 1,400 miles of rugged desert terrain, she learns a new way of life, including their methods of healing, based on the wisdom of their 50,000-year-old culture. Ultimately, she experiences a dramatic personal transformation. Mutant Message Down Under recounts a unique, timely, and powerful life-enhancing message for all humankind: It is not too late to save our world from destruction if we realize that all living things--be they plants, animals, or human beings--are part

Finalist In 1983 award-winning physicist
Gary Holz was diagnosed with chronic
progressive multiple sclerosis. By 1988 he
was a quadriplegic. Then, in 1994, his
doctors told him he had two years to live.
Desperate and depressed, he followed a
synchronistic suggestion and went to
Australia to live with a remote Aboriginal
tribe. Arriving in a wheelchair, alone, with
almost no feeling left from the neck down,
Holz embarked on a remarkable healing
transformation of body, mind, and spirit
and discovered his own gift for healing
others. Written at the request of the
Aboriginal healers Holz worked with, this
book reveals the beliefs and principles of

recovery, he explains the role played by thought in the creation of health or disease and details the five essential steps in the Aboriginal healing process. He explores the use of dreamtime, spirit guides, and telepathy to discover and reprogram the subconscious motivations behind illness--a process that enacts healing at the cellular and the soul level, where the root of physical illness is found. Supported by modern science, including quantum physics, Aboriginal medicine enables each of us to tap in to healing support through the power of the body/mind/spirit connection.

discrimination. Message from Forever follows the lives of Australian aboriginal twins who were taken from their young mother by Christian missionaries. The baby boy is sent to a huge sheep ranch, where he grows up with little adult supervision and random affection. On his own, Geoff develops his talent as an artist, producing work at a level well beyond his five years. The boy is adopted by an American minister and is raised in New England with little sense of who he is or of his cultural heritage. His sister is given only the first name Beatrice by the nuns at an Australian orphanage, where she encounters continual racism and experiences shattering losses for the first eighteen years of her life. Upon reaching adulthood, Beatrice leaves the orphanage to work at a boardinghouse. Beatrice hungers to know more about her ancestral roots. She walks away from her life in the

city to strike out into the northern desert nation, where she goes on a walkabout with a small band of Aborigines. Geoff does not fare so well in America. As a teen, he runs away from home and slips into a life of crime, alcohol, and alienation. His addictions destroy him, and he finds himself on Death Row with little sense of how he got there. After decades of learning about people in the Outback, Beatrice leaves her nomadic life to become a "runner between both worlds." She returns to the Mutant world as a political activist fighting for aboriginal rights of citizens arrested and convicted of crimes in foreign countries, as well as a champion of the rights of adults who were taken from their native culture as children. Her life's work bring her into contact with her lost brother, though neither is aware of their relationship. Beatrice gives Geoff the "message from forever," which outlines
