Rupi Kaur Reads Timeless from Her Poetry Collection The Sun and Her Flowers *Nayyirah Waheed Nejma*

I really enjoyed Salt by Nayyirah Waheed, so I thought I would give her other poetry collection a go as well. Nejma was definitely an interesting collection as well, however, it didn't manage to woe me as much as its predecessor. Nonetheless, Nayyirah remains a super fascinating figure to me and I wish she was still publishing today.

*Nejma by Nayyirah Waheed - Goodreads*

Salt was my first introduction to Nayyirah Waheed. Then I read Nejma and I became enamoured all over again. I feel that it's futile to compare the books because they each have a distinct personality in how they have been created. The poems in Nejma speak to me in ways I hadn't experienced when learning about poetry in High School.

*nejma: Amazon.co.uk: Waheed, Nayyirah: 9781494493325: Books*

Nejma is an outpouring of strength, kindness and healing. It is an unapologetic exhale of a woman that will not be broken, who is proud to walk the path called life covered in all that melanin.

*nejma eBook: Waheed, Nayyirah: Amazon.co.uk: Kindle Store*

nejma is dedicated to people of colour, and throughout reading nejma, I had the sense that the book is for people of colour. It's not for me. And it almost feels inappropriate to comment, but also that my thoughts on this book don't matter. The only thoughts and opinions that matter are those of people of colour.

*Review: nejma by Nayyirah Waheed ~ Once Upon a Bookcase*

Nayyirah Waheed masterfully crafted poems so full of life that they give life to her readers. These poems speak to our experiences as people of color, as women of color. They express, in simple yet profound ways, the complexity and nuances of our experiences.

*nejma: Waheed, Nayyirah: 9781494493325: Amazon.com: Books*

The explanation of why you can get and get this nayyirah waheed nejma sooner is that this is the cd in soft file form. You can read the books wherever you want even you are in the bus, office, home, and new places. But, you may not habit to put on or bring the stamp album print wherever you go. So, you won't have heavier sack to carry.

Poems.

“Yrsa Daley-Ward’s bone is a symphony of breaking and mending. . . . she lays her hands on the pulse of the thing. . . . an expert storyteller. of the rarest. and purest kind.” —Nayyirah Waheed, author of Salt. From the celebrated poet Yrsa Daley-Ward, a poignant collection of poems about the heart, life, and the inner self. Foreword by Kiese Laymon, author of Heavy: An American Memoir Bone. Visceral. Close to. Stark. The poems in Yrsa Daley-Ward’s collection bone are exactly that: reflections on a particular life honed to their essence—so clear and pared-down, they become universal. From navigating the oft-competing worlds of religion and desire, to balancing society’s expectations with the raw experience of being a woman in the world; from detailing the experiences of growing up as a first-generation Black British woman, to working through situations of dependence and abuse; from finding solace in the echoing caverns of depression and loss, to exploring the vulnerability and redemption in falling in love, each of the raw and immediate poems in Daley-Ward’s bone resonates to the core of what it means to be human. “You will come away bruised. You will come away bruised but this will give you poetry.”

Winner of the PEN Ackerley Prize • Longlisted for the 2019 PEN Open Book Award “Devastating and lyrical.” —The New York Times “Suspenseful and affecting.” —The New Yorker From the celebrated poet behind Bone, a collection of poems that tells a story of coming-of-age, uncovering the cruelty and beauty of the world, going under, and finding redemption Through her signature sharp, searing poems, this is the story of Yrsa Daley-Ward and all the things that happened. “Even the terrible things. And God, there were terrible things.” It’s about her childhood in the northwest of England with her beautiful, careworn mother Marcia; the man formerly known as Dad (half fun, half frightening); and her little brother Roo, who sees things written in the stars. It’s also about the surreal magic of adolescence, about growing up and discovering the power and fear of sexuality, about pitch-gray days of pills and powder and connection. It’s about damage and pain, but also joy. With raw intensity and shocking honesty, The Terrible is a collection of poems that tells the story of what it means to lose yourself and find your voice. “You may not run away from the thing that you are because it comes and comes and comes as sure as you breathe.”

"Literary pointillism on a funky-out canvas."

From the acclaimed poet behind *Bone*, an exploration of how we can meet our truest selves, the ones we've always been meant to become. Yrsa Daley-Ward's words have resonated with hundreds of thousands of readers--through her books of poetry and memoir, *Bone* and *The Terrible*; through her writing for Beyoncé on *Black Is King*; and through her always illuminating Instagram posts. Now, in *The How*, Yrsa encourages readers to begin, as she puts it, the great work of meeting ourselves. This isn't the self we've built up in response to our surroundings, or the self we manufacture to please the people around us, but instead, our most intimate self, the one we visit in dreams, the one that calls to us from a glimmering future. With a mix of short lyrical musings and her signature stunning poetry, Yrsa gently takes readers by the hand, encouraging them to join her as she explores how we can remove our filters, and see and feel more of who we really are behind the preconceived notions of propriety and manners we've accumulated with age. With a beautiful design and intriguing meditations, *The How* can be used to start conversations, to prompt writing, to delve deeper--whether you're solo, or with friends, on your feet or writing from the solace of home.

From beloved Malawian storyteller Upile Chisala comes the revised and expanded edition of her second collection of poetry. In *Nectar*, Chisala guides readers through a beautiful process of growth and renewal. These poems celebrate our always complex, sometimes troubled roots while encouraging us to grow through and beyond them toward a passionate self-love. Chisala's hope is that her words will encourage readers to sow seeds of change in their own lives and the lives of others.

When Daniel Blackland was six, he ingested his first bone fragment, a bit of kraken spine plucked out of the sand during a visit with his demanding, brilliant, and powerful magician father, Sebastian. When Daniel was twelve, he watched Sebastian die at the hands of the Hierarch of Southern California, devoured for the heightened magic layered deep within his bones. Now, years later, Daniel is a petty thief with a forged identity. Hiding amid the crowds in Los Angeles—the capital of the Kingdom of Southern California—Daniel is trying to go straight. But his crime-boss uncle has a heist he wants Daniel to perform: break into the Hierarch's storehouse of magical artifacts and retrieve Sebastian's sword, an object of untold power. For this dangerous mission, Daniel will need a team he can rely on, so he brings in his closest friends from his years in the criminal world. There's Moth, who can take a bullet and heal in mere minutes. Jo Alverado, illusionist. The multitalented Cassandra, Daniel's ex. And, new to them all, the enigmatic, knowledgeable Emma, with her British accent and her own grudge against the powers-that-be. The stakes are high, and the stage is set for a showdown that might just break the magic that protects a long-corrupt regime. Extravagant and yet moving, Greg van Eekhout's *California Bones* is an epic adventure set in a city of canals and secrets and casual brutality--different from the world we know, yet familiar and true. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Playing with Matches* is the ultimate collector's edition by internationally best-selling poet, Michael Faudet. A beautiful hardcover gift book that has been personally curated by the author featuring a compilation of the best work from his five published books and thirty-five new pieces of poetry and prose for readers to discover. A wonderful addition to any bookshelf. To complement the exquisite and evocative poetry, prose, and short stories, this gorgeous book also gives readers a private glimpse into the author's life. Comprising of black and white photographs taken by Michael Faudet that capture the inspiration behind the writing. *Playing with Matches* is a must-have for fans of *Dirty Pretty Things*, *Bitter Sweet Love*, *Smoke & Mirrors*, *Winter of Summers*, and *Cult of Two*. A poetry lover's delight with an additional 35 new pieces never before published in any Michael Faudet collection. An intricate exploration of love, heartbreak, seduction, self-empowerment, and sex that will spark your imagination and ignite the flames of passion that burn inside all of us.

Social media sensation Billy Chapata shares insight and advice into the powerful world of love, heartbreak, and what comes next. This collection of poetry and prose will justify heartache and inspire the fortitude to survive and prosper. From *Chameleon Aura* author Billy Chapata comes his second major poetry collection, *Flowers on the Moon*. Chapata presents his signature blend of experience and advice through a chaptered series of prose and poetry. Filled with the familiar themes of love, loss, resilience, and growth from *Chameleon Aura* but with fresh poems and new advice, his touching narrative celebrates humanity for its undeniable worth, and this collection will leave readers warm with hope for growth, rebirth, and, most prominently, self-acceptance.
