The Rain Queen invites all to imagine that which has become unimaginable. In 1942 MODJADJI, SOUTH AFRICA, women ruled. This is not fiction, this is fact. Their peaceful culture is the complete antithesis of three strangers who have lost all hope but find it again together as the only survivors of a catastrophic train wreck. They agree to start their lives anew, letting the world believe them dead. As the shine of new money and new lives wears quickly, they find themselves traveling the globe in search of myth and salvation in the form of a 'magic treasure' hidden by Princess Dzugundini, the founder of the Rain Queens over 400 years ago. They soon learn that changing names, identities and bank accounts is merely superficial; they must find faith in themselves before true change can begin. The Rain Queen is a sexy, funny, and fanciful story with a depth of soul that reaches out to remind us what beautiful gifts we're given every day, if we choose to see them.

Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Staring a silly big bad Siberian Husky, the cleverest Guinea Pig this side of a hard hat, and famous London city landmarks, this version of the Three Little Pigs turns the classic children's story into a hilarious tale of London pride! Includes a write your own story activity especially for children ages 3-8 who are planning to visit, or who have recently visited, the great city of London! Looking for a different city? Search Dr. Silly Goose for more city-specific versions of The Three Little Pigs. Also available: Los Angeles, Chicago, Houston, Philadelphia, San Antonio, San Diego, Dallas, New York City, Jacksonville, San Francisco, Austin, Seattle, Denver, Washington DC, and Boston.

I am a talented author who is seeking an outstanding illustrator to join with me in a partnership to publish an inspirational picture book. I believe that a picture REALLY is worth a million words and so my story needs the pictures of a talented illustrator to bring them to life and enter the publishing world with me!

The Sunday School Detour's Monsters and the High Seas are children's adventure stories. The main character, Joey Masonboro with his quite active imagination takes off on a series of adventures as his Sunday School teacher tells well-known bible stories. His adventures always manage to take somewhat of a detour from the original story line.

Follow Maggie's hilarious diary over one school year. She gets the worst part in the school play, her world record attempt goes disastrously wrong and as for her act in the talent show, well, let's just say she didn't expect underpants to fly out of her trumpet and land on the judge's face! Still, at least she has her three best friends, and her diary. A story about friendship, family, and resilience. Perfect for ages 8-12, with lots of doodley illustrations. This version has

been checked for typos.

Dual immersion, a popular new way to cultivate bilingualism, is capturing the attention of parents and educators alike. By bringing together children from diverse backgrounds to learn each other's languages in a natural setting, it has proved far more effective at cultivating fluency than traditional approaches. But how do these programs actually work? What goes on in dual immersion classrooms? And what is it that makes them so effective? *Diary of a Bilingual School* answers these questions with a unique mix of narratives and analysis. Depicting a year in the life of a second-grade classroom, it demonstrates what can happen when the instruction is bilingual and the curriculum is constructivist. The book focuses on Chicago's Inter-American Magnet School, one of the nation's most acclaimed dual immersion programs, where children thrive in an environment that unlocks their intellectual curiosity and enthusiasm for learning. Simultaneously, without conscious effort, they become proficient in two languages and at home in a culture that differs from their own. For those who want to discover the benefits of dual immersion for their children or for their students -- or who want to learn more about child-centered approaches to teaching -- *Diary of a Bilingual School* is a must.
