A girl on Earth has made a terrible wish. And it's one that could hurt her best friend. Now Vivica, Starling Academy's mean girl, is on her way to help grant it. The Star Darlings must stop her--otherwise Rancora's evil power will be restored. But will they be able to change the wisher's bitter heart?

With this delightful book in hand, you will be able to duplicate their unique looks with fantastic hairstyles, great styling tips, and fun instructions for creating your very own Star Darling inspired jewellery. The ultimate battle against darkness begins... Energy levels are dangerously low, and it's affecting day-to-day life on Starland. The Star Darlings have been working furiously to discover who is behind the crisis, but they've made a grave mistake. Can they fix it before their world goes dark? When Adora goes on her Wish Mission, she accidentally reveals her identity to her Wisher! Clover's mission to help a girl with her overprotective parents is like no other. Then all hopes hinge on Gemma, who has the final Wish Mission; she encountered trouble on Wishworld, but it's nothing compared to the battle she and the other Star Darlings must fight when she returns!

Gemma talks too much and has no follow-through. She must learn how to listen to others and finish what she starts, while remaining curious and clever. Gemma leaves for the final mission in the dead of night not realizing that her Wisher made a bad wish, which, if granted, could tip the balance of power forever. The other Star Darlings realize that Gemma is about to grant a bad wish, but without a shooting star in sight, they have no way of getting down to Wishworld. Luckily, a meteor shower begins, which serves to get the others to Wishworld to turn the wish around and collect the positive wish energy. Gemma, meanwhile, is following up on her Wisher's bad wish, which is to be popular. The other Star Darlings arrive to help turn a negative wish into a positive one.

START YOUR STAR DARLINGS ADVENTURE! Welcome to Starling Academy, the prestigious school where students study to become Wish-Granters and help guide Wishlings in making their dreams and wishes come true. Twelve star-charmed girls--the Star Darlings--have been chosen to work as a team to save their beloved Starland from peril. Sage takes a spectacular journey to Wishworld and discovers how challenging life can be in an unfamiliar place. Then Libby must help two fighting best friends, but can she stop herself from trying to grant every wish big and small? On Leona's mission, her challenge is to put her own desires aside and truly understand what her Wisher needs!

There are lots of strange things going on at Starling Academy these days: Leona is devastated about her Wish Pendant failure. Ophelia, the newest Star Darling, is completely clueless. Vega's roommate, Piper, is getting on her last nerve. And Scarlet? Who knows? She's nowhere to be found! So when by-the-book Vega gets sent to Wishworld on the next mission, she finds herself very distracted. Why is her Wisher so secretive? Vega needs to solve this puzzle fast. Time is running out and Starland needs every drop of wish energy it can get!

WHO IS CAUSING TROUBLE ON STARLAND? Disturbing things continue to happen on Starland everyday, beginning when Piper's Star Kindness day compliment-poems to her friends turn into cruel insults. As the Star Darlings unravel clues, they begin to suspect that one of their own is behind the trouble ... and that it might be Lady Stella! Piper enjoys her time on Wishworld working in a diner... but is she being a little too laid-back about her mission? When Astra's time comes, her overconfident nature leads her incorrect conclusions about her gymnast Wisher's true wish. Tessa's mission brings her to an animal shelter, but when a terrible storm hits, she runs into problems.
