Love is in the air--or maybe anxiously repressed--in February and my romantic literature jag continues with The End of the Affair, the 1951 doomed romance by Graham Greene. This was my first exposure to Greene's fiction and while I was struck by the celebrated British author's intricate prose, keeping time like a Swiss clock, this novel is deficient in story, forgoing action for the reflections of its melancholy male narrator.

Graham Greene's the End of the Affair with Heather Hughes Huff. In this episode, we interview Heather Hughes Huff about the Catholic literary imagination in the 20th century, the life and work of Graham Greene, his novel The End of the Affair, and the focus of his work on the loss of self for the love of God.

This is the story of star-crossed lovers whose short affair begins and ends as tumultuously as the war that is its backdrop.

In Greene's "magnificent tour-de-force among tales of international intrigue," rival agents engage in a deadly game of cat and mouse in prewar England (The New York Times).

D., a widowed professor of Romance literature, has arrived in Dover on a peaceful yet important mission. He's to negotiate a contract to buy coal for his country, one torn by civil war. With it, there's a chance to defeat fascist influences. Without it, the loyalists will fail. When D. strikes up a romantic acquaintance with the estranged but solicitous daughter of a powerful coal-mining magnate, everything appears to be in his favor—if not for a counteragent who has come to England with the intent of sabotaging every move he makes. Accused of forgery and theft, and roped into a charge of murder, D. becomes a hunted man, hemmed in at every turn by an ever-tightening net of intrigue and double cross, with no one left to trust but himself. Written during the height of the Spanish Civil War, Graham Greene's "exciting . . . kaleidoscopic affair" was the basis for the classic 1945 thriller starring Charles Boyer and Lauren Bacall (The Sunday Times).

I have asked permission to dedicate this book to you not only in memory of the happy evenings I have spent with you in Saigon over the last five years, but also because I have quite shamelessly borrowed the location of your flat to house one of my characters, and your name, Phuong, for the convenience of readers because it is simple, beautiful and easy to pronounce, which is not true of all your country-women's names. You will both

realise I have borrowed little else, certainly not the characters of anyone in Viet Nam. Pyle, Granger, Fowler, Vigot, Joe—these have had no originals in the life of Saigon or Hanoi, and General The is dead : shot in the back, so thfcy say. Even the historical events have been rearranged. For example, the big bomb near the Continental preceded and did not follow the bicycle bombs. I have no scruples about such small changes. This is a story and not a piece of history, and I hope that as a story about a few imaginary characters it will pass for both of you one hot Saigon evening.

A heartfelt exploration of faith and love and friendship, What Happened To Sophie Wilder is a beautiful, absorbing work about the redemptive power of storytelling: a literary love story. Charlie Blakeman has just published his first novel, to almost no acclaim. He's living on New York's Washington Square, struggling with his follow-up, and floundering within his pseudointellectual coterie when his college love, Sophie Wilder, returns to his life. Sophie is also struggling, though Charlie isn't sure why, since they've barely spoke, after falling out a decade before. Now Sophie begins to tell Charlie the story of her life since then, particularly the story of the days she spent taking care of a dying man with his own

terrible past and of the difficult decision he forced her to make. When she disappears once again, Charlie sets out to discover what happened to Sophie Wilder. Christopher Beha's debut novel explores faith, love, friendship, and, ultimately, the redemptive power of storytelling.

Kriminalroman. En kærlighedshistorie udspiller sig i toget, mellem hvis passagerer også er en morder på flugt og en politisk flygtning i livsfare

There have been a number of Graham Greene biographies, but none has captured his voice, his loves, hates, family and friends—intimate and writerly—or his deep understanding of the world, like this astonishing collection of letters. Graham Greene is one of the few modern novelists who can be called great. In the course of his long and eventful life (1904–1991), he wrote tens of thousands of letters to family, friends, writers, publishers and others involved in his various interests and causes. *A Life in Letters* presents a fresh and engrossing account of his life, career and mind in his own words. Meticulously chosen and engagingly annotated, this selection of letters—many of them seen here for the first time—gives an entirely new perspective on a life that combined literary achievement, political action, espionage, exotic travel and romantic entanglement. In several letters, the individuals, events or

places described provide the inspiration for characters, episodes or locations found in his later fiction. The correspondence describes his travels in Mexico, Africa, Malaya, Vietnam, Haiti, Cuba, Sierra Leone, Liberia and other trouble spots, where he observed the struggles of victims and victors with a compassionate and truthful eye. The volume includes a vast number of unpublished letters to authors Evelyn Waugh, Auberon Waugh, Anthony Powell, Edith Sitwell, R.K. Narayan and Muriel Spark, and to other more notorious individuals such as the double-agent Kim Philby. Some of these letters dispute previous assessments of his character, such as his alleged anti-Semitism or obscenity, and he emerges as a man of deep integrity, decency and courage. Others reveal the agonies of his romantic life, especially his relations with his wife, Vivien Greene, and with one of his mistresses, Catherine Walston. The letters can be poignant, despairing, amorous, furious or amusing, but the sheer range of experience contained in them will astound everyone who reads this book.

Literary ombudsman John Crace never met an important book he didnt like to deconstruct. From Salman Rushdie to John Grisham, Crace retells the big books in just 500 bitinglly satirical words, pointing his

pen at the clunky plots, stylistic tics and pretensions to Big Ideas, as he turns publishers golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Crace takes the books that produce the most media hype and retells each story in its authors inimitable style. Philip Roth, Don DeLillo, Margaret Drabble, Paul Auster, Alice Sebold, John Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about books youve never bothered to read or, for that matter, should have.
