The hero and the outlaw: a discussion of archetypes The hero and the outlaw! Edward Boches What is a brand? A brand is not a mark or a logo.; The expectations, behaviors and and beliefs associated with a company that inspire choice, preference, loyalty and advocacy.; It is the outcome of a company's culture, actions, products, services, messages and customers themselves.

The hero and the outlaw: a discussion of archetypes

A first in business literature, The Hero and The Outlaw offers both a fascinating examination of those few extraordinary brands that have already achieved archetypal status, as well as a sound and proven methodology readers can use to achieve their own iconic brand identity-an identity that will withstand the test of time, cross lifestyle and cultural boundaries, and translate into exceptional success.

system—ever—for the management of meaning. And like many sound ideas, it borrows from very ancient and eternal ones. Imprints, hardwired into our psyches, influence the characters we love in art, literature, the great religions of the world, and contemporary films.

The Hero and the Outlaw: Building Extraordinary Brands ...

In an easily accessible way, "The Hero and the Outlaw" offers a clearly structured system that all business and marketing professionals can follow and replicate. After presenting the compelling concept of archetypal meaning, the authors demonstrate specific methods for implementing this concept into real-world setting, including: how to understand the deep meaning of your product category and "claim" it for your brand, how to assess the competitive landscape from an archetypal perspective ...
