It is a family story of war and love, and how the ghosts of the past return to shape the present. Wounds is a powerful memoir about Irish people who found themselves caught up in the revolution that followed the 1916 Rising, and in the pitiless violence of civil war in north Kerry after the British left in 1922.

Books similar to Wounds: A Memoir of War and Love

Wounds: A Memoir of War and Love is a family story of a murder, blood and betrayal that tore an Irish town apart and causes men to be silent still. Trying to relate the kindly men and women of his childhood with the deeds made public long years after they died, Fergal Keane's devastating history of a local murder asks, what is a terrorist? And how do people live with the act of killing?
